

# SONJA PANJKOV

School of Physics (David Caro Building)  
Gate 1, corner of Tin Alley and Swanston Street  
The University of Melbourne  
VIC 3010 Australia

[panjkovs@unimelb.edu.au](mailto:panjkovs@unimelb.edu.au)  
[linkedin.com/in/sonjapanjkov/](https://www.linkedin.com/in/sonjapanjkov/)  
ORCID: 0000-0002-1719-2024

## Employment

Executive Officer Logistics Systems, <i>Department of Defence</i>	2021
Executive Officer Ionising Radiation, <i>Department of Defence</i>	2019 – 2020

## Education

Ph.D., Physics, <i>University of Melbourne</i>	2021 –
B.Sc. (Hons), Physics and Mathematics, <i>Australian National University</i>	2019
B.A., English Literature and French, <i>Australian National University</i>	2018

## Recognitions

2 <sup>nd</sup> place student poster ( <i>Astronomical Society of Australia Annual Science Meeting</i> )	2021
Research Training Program Scholarship ( <i>University of Melbourne, Australian Government</i> )	2021 –
Melbourne Research Scholarship ( <i>University of Melbourne</i> )	2021
National Merit Scholarship ( <i>Australian National University</i> )	2014 – 2019
Australian Student Prize ( <i>Australian Government</i> )	2013
Sophia Beanland Prize for French ( <i>Brisbane Girls Grammar School</i> )	2013

## Peer-Reviewed Publications

1. Wallner, A. et al., including **Panjkov, S** (2020).  $^{60}\text{Fe}$  deposition during the late Pleistocene and the Holocene echoes past supernova activity. *Proceedings of the National Academy of Sciences*, 117(36). doi: 10.1073/pnas.1916769117

## Scientific Presentations, Colloquia and Seminars

### Invited Talks:

<i>University of Melbourne</i> , Astrophysics Seminar, Melbourne, Australia	2022
<i>University of Melbourne</i> , Astrophysics Seminar, Melbourne, Australia	2021

### Contributed Talks:

<i>Mt Stromlo Student Seminars</i> , Canberra, Australia	2021
--	------

### Posters:

<i>Astro3D Annual Retreat</i> , Leura, Australia	2021
<i>Ozgrav Annual Retreat</i> , Melbourne, Australia	2021
<i>Astronomical Society of Australia Annual Science Meeting</i> , Melbourne, Australia	2021

## Service Experience

Work Experience Volunteer (Astrophysics), <i>University of Melbourne</i>	2022
Astrophysics Group Meeting Organiser, <i>University of Melbourne</i>	2022 –
Member of the Diversity, Equity and Inclusion Journal Club, <i>University of Melbourne</i>	2021 –
Work Experience Supervisor (Astrophysics), <i>University of Melbourne</i>	2021

## Teaching Experience

Tutor, Foundations of Physics (PHYC10009), <i>University of Melbourne</i>	2022
Lab Demonstrator and Lecture Assistant, From the Solar System to the Cosmos (PHYC10008c), <i>University of Melbourne</i> .	2021
Online Teaching Assistant, From the Solar System to the Cosmos (PHYC10008c), <i>University of Melbourne</i>	2021
