SONJA PANJKOV

School of Physics (David Caro Building) Gate 1, corner of Tin Alley and Swanston Street The University of Melbourne VIC 3010 Australia panjkovs@unimelb.edu.au linkedin.com/in/sonjapanjkov/ ORCID: 0000-0002-1719-2024

Executive Officer Logistics Systems, Department of Defence	202
Executive Officer Ionising Radiation, Department of Defence	2019 – 2020
Education	
Ph.D., Physics, <i>University of Melbourne</i>	2021 -
B.Sc. (Hons), Physics and Mathematics, Australian National University	2019
B.A., English Literature and French, Australian National University	2018
Recognitions	
2 nd place student poster (Astronomical Society of Australia Annual Science Meeting)	2021
Research Training Program Scholarship (<i>University of Melbourne, Australian Government</i>)	2021 -
Melbourne Research Scholarship (<i>University of Melbourne</i>)	2021
National Merit Scholarship (Australian National University)	2014 - 2019
Australian Student Prize (Australian Government)	2013
Sophia Beanland Prize for French (Brisbane Girls Grammar School)	2013
Peer-Reviewed Publications	
Peer-Reviewed Publications 1. Wallner, A. et al., including Panjkov, S (2020). ⁶⁰ Fe deposition during the late Pleistocene and the supernova activity. <i>Proceedings of the National Academy of Sciences</i> , 117(36). doi: 10.1073/pnas
